It will be patrol cooking. That means the Scouts are responsible for purchasing and cooking meals for Saturday: breakfast, lunch and dinner and Sunday: breakfast

The cost of the trip will be 10 dollars. Food is not included food.

The troop will be bicycling along the rail trail. There are many little stores and shops we will be riding by where they may be able to get a sandwich or drink. Do not plan on buying lunch. You will need to carry your lunch on the Saturday ride.

This is really fun trip. We will ride 20 plus miles Saturday along the rail trail (a paved bike trail that runs along the Cape) The trail runs through many towns and is very popular. This trip we plan to ride over to the Chatham spur.
