

**An Invitation to a November South Windsor Boy Scout
Camping Trip &
Scouting Skills Competition**
November 14th, 15th, 16th

Boy Scout Troops from South Windsor will meet again for a Scouting Skills Campout. Scouts will camp with other scouts from the town (many of whom they know from school, sports, etc..) and compete against them in some fun, challenging and unique events.

The plan:

- Scouts should have had dinner before their departure from South Windsor.
- Depart Friday night November 14th from South Windsor.
- Each troop is responsible for their own camping preparation, tour permit and departure.
- Arrive at J.N. Webster Camp (Ashford, CT) around 7pm and setup camp (in the dark).
- Leaders will meet at 9pm Friday evening for a final planning session.

- There will be several events during Saturday where each troop will send members or full patrols to compete in cooking, orienteering, pioneering, knots, first aid and other survival/camping skills. On Sunday, we will have breakfast and an awards ceremony.

- We will be departing from camp on Sunday around 10am

This camping trip will test the scouting skills of your troop against other troops from South Windsor at J.N. Webster BSA camp.

Come Prepared for a Great Weekend!
