

# Cape Code 2010 Great Bicycling

## .....Adventure.....

The place: Nickerson Park Brewster, Massachusetts

When May 21<sup>st</sup> -23<sup>rd</sup> returning around 2pm the 23<sup>rd</sup>

It will be patrol cooking. That means the Scouts are responsible for purchasing and cooking meals for Saturday: breakfast, lunch and dinner and Sunday: breakfast

The cost of the trip will be 15 dollars. Food is not included.

The Troop will be leaving Friday at 5:30 from the church. Please have eaten dinner, we will not be stopping on our way out to Nickerson Park. The troop will be bicycling along the Rail Trail. The Rail Trail is a paved riding, walking, jogging path which runs throughout the central part of the Cape. There are many little stores and shops we will be riding by where scouts may be able to get an ice cream or drink. Do not plan on buying lunch. You will need to carry your lunch on the Saturday ride along with plenty of water. All scouts and leaders must wear a helmet. We will be camping at Nickerson State Park. It is located right along the Rail Trail so we have easy access to our riding. This trip will count toward the cycling merit badge.
