

Matt Torres' Eagle Project

When:

Saturday, May 1st (**Prep Day**) – This part of Matt's project has been postponed.

Saturday, May 15th (**Planting Day**) - 8:00 AM - 4:00 PM*

Who:

Scouts and Adult volunteers alike who look to indulge in creative landscaping whilst enjoying the great outdoors.

What:

PREP DAY: (postponed) Matt looks to lead volunteers in leveling out two mountains of topsoil, raking out non-decorative and unappealing stones, constructing 2 - 16x16 foot decorative L-shaped fences, and whitewashing them in a Tom Sawyer-like manner.

PLANTING DAY: We will be required to dig 50 holes to plant red, white and blue gardens (trees, shrubs, perennials and ground cover). We will then spread out quite a bit of mulch for top-dressing purposes. The Memorial Islands will mirror one another at project's end.

Where:

Veteran's Memorial Park Pool, 575 Pleasant Valley Road, South Windsor.

What To Bring:

Good spirits, your favorite pair of work gloves, and a shovel or metal rake.

Food & Drink:

Coffee, Donuts and Hot Chocolate will be provided on both mornings, Pizza and Soda Pop will be served for Lunch on Planting Day.
