

# Troop 880 Code of Conduct

## Scout's Responsibilities:

All members of Troop 880 are expected to conduct themselves in accordance with the principles set forth in the Scout Oath and Law. Physical violence, hazing, bullying, theft, verbal insults, drugs and alcohol have no place in the Scouting program and may result in the revocation of a Scout's privileges and or membership in the troop. If any Scout is confronted by threats of violence, verbal insults or other forms of bullying or hazing including pranks performed on the scout, his possessions or tent by other troop members, he should seek help from his unit leaders or parents.

## Agreement:

All Scouts and Adult Leaders are responsible representatives of their community, family and Troop 880. Therefore, all Scouts and their parents are asked to review and sign this **Code of Conduct** and **Statement of Understanding** as a condition for membership and participation, with the further understanding, that serious misconduct or infractions of behavior rules may result in possible disciplinary actions that include expulsion from any activity, meeting and/or trip. Our goal is to make the Scout understand that he alone is responsible for his behavior and the consequences of their actions.
